PTA Direct Donation Information

The Waterloo PTA is proud to help support many programs at Waterloo Elementary School. PTA funds provide educational programs for our students, family activities such as Game Nights and Spring Carnival, and school enrichment support. All of these activities help the Waterloo community learn and grow!

There are many ways to contribute to the PTA. You can show your support by becoming a PTA member, by volunteering to help with PTA activities and programs, and by participating in our fundraisers, such as the Innisbrook sale, restaurant nights, and the Silent Auction. You can also make a ***direct donation*** to the PTA and financially support PTA-sponsored programs without participating in other fundraising efforts.

We welcome your involvement in any or all of these efforts to support our school community. Your participation and contributions are completely voluntary and very much appreciated!

If you have any questions, please contact Sharon Kim at skim198@gmail.com or 443.629.5041. To participate in the Direct Donation option, please complete the form below and return it to your child's teacher or the school office.
